ORDER ACCEPTING FINDINGS, CONCLUSIONS,
AND RECOMMENDATION
OF THE UNITED STATES MAGISTRATE JUDGE

The United States Magistrate Judge made findings, conclusions, and a recommendation in this case. *See* docket entry 15. No objections were filed. The district court reviewed the proposed findings, conclusions, and recommendation for plain error. Finding none, the court **ACCEPTS** the Findings, Conclusions, and Recommendation of the United States Magistrate Judge. Accordingly, the plaintiff's motions to reinstate the case (docket entries 13, 14) are **GRANTED**. It is therefore **ORDERED** that this case is **REOPENED**. The plaintiff must effect proper service of process on the defendant by **January 4, 2021**. Failure to do so will result in dismissal, without further notice, of the plaintiff's claims against the defendant.

SO ORDERED.

November 19, 2020.

A. JOE FISH
Senior United States District Judge
